Cluster EXPO start

The event where Hungarian Cluster Association will showcase how clusters are becoming the cornerstones of the Hungarian economy!

We open a window to the cluster world!

Scheduled to take place every 2 years, Cluster EXPOs aim to showcase the business and technology value that clusters provide. The launch event of the Cluster EXPOs will be Cluster EXPO Start on 22 November 2022, which will serve as an inventory of values for policies, ministries, chambers, operational organizations, government agencies and relevant stakeholders.

Let us introduce you the cross-sectoral network of clusters and the expert pool that we work with every day to support Hungarian businesses!
